Dear Sir:—

I have a Silver Half dollar
coined in 1838 with an "O" over the date like
this 1838. Can you give me any account of it?
I have never seen one like it nor have I ever
met any one who has. Mr Mason a coin
buyer in your city offered me \$10⁰⁰ for it 7
years ago but I didn't care to sell it as I thought
it worth more money. in fact I didn't care to
sell until I investigated a little further.

If you will kindly give me a little light
on the subject you will very much oblige

Yours Very Respectfully

In fact I didn't care to sell until I investigated a little further.
